

Living in the Light of the Trinity

What makes people nervous about studying the Trinity?

#1 God is One (Mark 12:28-31)

(a) Uniqueness

Devotion

Mission (1 Cor 8:4-6)

(b) Unity

Our view of God

Our view of the cross

Our view of the Christian life

#2 God is three persons

What the Trinity is not (Matt 28:19)

- Tritheism

- Modalism

- Contradiction

God has always been three persons (John 5:19-23)

Not just how God is to us, but in himself

Not just temporary roles, but eternal

Not just abstract, but relevant!
